If so, Lake County Government is the place for you. Comprised of nearly 3,000 employees, it is our goal to positively serve the residents of Lake County while working with a purpose. We believe our employees should take pride in the work they accomplish while truly respecting a collaborative work environment. Do you have a background in Civil Engineering? If so, this position could very well be for you:

**Position: Senior or Principal Engineer**  
**Location: Libertyville, Illinois**  
**Salary: \$63,800 - \$91,000**  
**Hours: 8am to 4:30pm**

Becoming a Civil Engineer at the Lake County Division of Transportation will allow you to be involved with engineers within local government, ranging from consultants and municipalities to the State of Illinois. Your day will consist of administering the Access and Utility/Facility Ordinances, reviewing engineering, drainage and traffic impact studies; coordinating permits with internal and external projects, and preparing educational/training information/workshops. You will have endless opportunities to impact and make a difference within Lake County. Being able to build working relationships with employees, 30 countywide departments and the public, is sure to keep you interested and continuously learning.

In order to be successful in this role individuals should have a working knowledge of the design and construction of various highway projects; skills in regulatory interpretation and contract development/administration; good knowledge of the principles and practices of program/project management and administration; excellent communication skills and the ability to secure cooperation as needed. You must also exercise sound professional engineering judgment and establish and maintain effective working relationships with various stakeholders. Strong analytical abilities are also essential, as is the ability to effectively problem solve.

Lake County offers a competitive salary and benefit package with performance-based incentive plans. We also offer flexible working hours, and a comprehensive wellness and training program.
